

**FLOTATION VESSEL**

**FUNCTION AND BEAUTY.**

18.75" Diameter O.D.

Sacrificing function for design is not necessary with this bell shaped semi-recessed vessel.

This basin sits only 4" from the counter but has a full size 5" deep x 10" round sink for total functional convenience.

All of our glaze color and patterns are available on this one of a kind design.

*Dare to be different.*
