

TABLE TOP VESSELS.
TWO TONE COLORS SHOWN.
Of course they come in white.!

NEW!

Rustic hand thrown basin. Excellent for use in stone and marble baths or garden and laundry room settings. This vitreous bowl is hand thrown from a porous, high grog clay for a heavy, rustic look. It comes in several standard colors in tones of gold, earth tones, blues and greens. Sizes listed are approximate as each basin can vary within a half to three quarter inches.

Model 725 Sizes:

14 to 15" x 6" deep Standard Colors: \$950.00

16" x 7" deep Standard Colors: \$1350.00

Custom sizing is available.

Many classic Anawalt basins can be transformed to meet the needs of vessel style applications. Because each basin is hand made, adjustments occur at the wet clay stage providing many versatile possibilities. The rim of the sinks can be eliminated creating a more sleek appearance. Shown here is a Model 426 carefully sanded and glazed inside and out. flange was added for extra details.

A

To the left is our Model 712 that can be used as an undermount or drop-in. Here the basin was sanded and glazed on the entire surface and used as a tall bowl atop a furniture piece in a garden bath.
